

FELICITY

There's got to be a reason you brought me back here.

AARON

What makes you think that?

FELICITY

Just a hunch... I mean it's not like you take someone to the spot of your first date for just a random picnic. Right?

AARON sits down and opens a lunchbox.

AARON

Oh that was here? You remember that?

FELICITY

FELICITY touches her ring finger with her opposite hand in anticipation. AARON hands her a lottery scratch card, smiling from cheek to cheek. FELICITY holds it up to her face, noticing the row of purple flowers across the card.

AARON

You know what that is?

FELICITY

Five flowers in a row?

AARON

No, not just flowers. They're lilacs, Fel.

AARON stands up, and puts his hands on his hips.

AARON (CONT'D)

Five lilacs in a row. End to end. Do you know what that means?

FELICITY, not as amused, looks up at him. After a brief pause she shakes her head no.

AARON (CONT'D)

FELICITY

This is...
